

SPONSORSHIP OPPORTUNITIES

Girls Inc. Luncheon

Each August, Girls Inc. of San Antonio has its annual Strong, Smart and Bold Luncheon at the San Antonio Country Club. Participants learn about the many ways Girls Inc. empowers girls in our community and hear from some fabulous guest speakers. Girls Inc. also recognizes an accomplished and empowered female leader from our community with the Strong, Smart and Bold Award. Corporate table sponsorships are available as well as individual tickets.

Outreach Programming

Put your passion into action! Whether your interest is in Media Literacy, Project Bold or any of our other fabulous curriculums, your support will provide supplies, snacks, t-shirts, field trips, classroom enhancement materials and a lifetime of empowerment for girls who otherwise would not have the opportunity to participate in Girls Inc. programming.

Science Festival

The Festival is a unique event designed especially for girls that gives participants the chance to discover the awesome world of science, math and technology. Local companies and non-profits groups are invited to sponsor a booth at the festival and facilitate a hands-on activity that encourages girls to ask questions, find answers, get messy and, of course, have fun! Opportunities are also available to food vendors and performance groups.

Girls University

Girls University is the only summer camp in San Antonio that inspires all girls to be Strong, Smart and Bold. In 2006, Girls University received the Innovative Program of the Year Award from the Texas Alliance of Child and Family Services for its innovative approach to camp programming.

Camp tuition is set at a competitive cost to preserve the quality of camp programming and runs for ten weeks beginning in early June and ending in early August. Many girls who attend Girls U are in need of partial or full scholarships in order to participate. Girls Inc. strives to serve as many girls as possible regardless of their economic status; you can provide a young girl with a very special opportunity to be Strong, Smart and Bold by sponsoring a Girls University camper. You can also sponsor a field trip, be a guest speaker or make a donation.
